

Dear parents,

I hope you all had a good Bank Holiday weekend last weekend. Now we have another long weekend ahead of us! At school we are celebrating the coronation today with some special art and craft activities. We will also have a special picnic lunch, sponsored by the PTA (THANK YOU) and a whole school photo and rendition of the Coronation Song. It has been fun to watch the pupils practice the song and use their imaginary trumpets at the line 'To the sound of trumpets....'! In our library Mrs Martin has done a superb job with a special coronation display, which includes some new books about King Charles. All in all, it is going to be a significant weekend for our nation. Ewhurst already looks splendid with lots of bunting around! I hope the Coronation Party at the Rec goes well on Saturday evening and that as many as possible can support the Fabulous Nobodies once again.

After the long weekend we enter into an important time of assessments for our children, particularly in Year 2. They will be sitting the national SATS Tests next week and we wish them all the very best. These tests have been a standard practice for schools for many years but the government has announced that the tests will not be statutory from next year onwards.

As we get closer to summer, I am so pleased to see the school site looking so wonderful. A huge thank you to the Gardening Team who worked tirelessly last weekend to revamp the Jubilee Garden. I know it was a lot of work but all the volunteers have done an amazing job! The swimming pool is also looking more ready for action. Our next task is to erect some safety fencing to add an improved layer of security.

Finally, a reminder to complete the extra-curricular activities questionnaire before Monday. We would like to get a good idea of how we can enhance our Clubs offer, even this term.

Have a lovely Coronation weekend!

Mr. Walters
