

Dear parents/carers,

Well, we have reached the end of the first half of the Summer Term! Time seems to have flown by! So much seems to have happened in the last six weeks since Easter and I am proud of all the hard work that has been put in by staff and pupils. It has been wonderful having Mrs Stevenson back in Holly Class and also seeing the progress across the school in Phonics. This is one of our school development priorities and so it is important that we see clear steps forward for every child. Thank you again to everyone who supports reading at home – every minute counts! It has been good this week to meet the new School Council and get their input on a variety of issues, such as purchasing new playground equipment and refreshing the lunch menu. Pupil voice is so valuable in ensuring everyone is involved in making our school even better.

This afternoon is a chance to visit your child's class and have a chat to the teacher. It will be a nice time to linger a few minutes, before heading off into our half-term holiday, although the PTA had to cancel their tuck shop today at short notice.

I want to say a huge thank you to Jane Martin and all the team who have spent hours sprucing up our gardens ready for the summer. The school is looking fantastic! Thank you, too, for all those who have contributed plants and shrubs!

Finally, you will have seen my separate email today about staffing changes coming our way for September. We will prepare a proper farewell for the departing teachers and also, as soon as we properly can, introduce our new members of staff. There are good days ahead! I will be on the school gate as always if anyone has any questions.

Have a lovely half-term holiday and enjoy the sunshine!

Best wishes,
Mr. Walters
