

Dear parents/carers,

I write this newsletter with a heavy heart, following the tragic death of a primary school child in Wimbledon yesterday. It is our highest priority to keep our children safe and as you know we have put extra measures in place to ensure our site is safe. To this end, may I remind parents to be extra vigilant with our tiny school car park (only for use by parents using wrap-around care please, or given exceptional permission by myself). Please also avoid parking on the main road on any side of the hill. There was a collision recently where a car swerved into the other lane because of a parked car. We want all in our community to be safe and well!

On a lighter note, pupils have had lots of fun this week, with a wonderful visit from the Bubble Man (thanks, PTA) and a special assembly from Councillor Higgins and representatives of the Parish Council to present a gift of coronation mugs.

Next week will be equally exciting, with our Healthy Breakfast and Sports Day on Thursday 13 July. My weather app suggests it is going to be warm and sunny! Please read carefully the instructions on the next page so the day can run smoothly.

I wish you all a lovely sunny weekend!

Mr. Walters
