

Thank you for all your support over the past week. Your **patience and understanding** has been much appreciated. I would like to ask you all to **continue to watch out for symptoms** and **notify the office** if your child is having a PCR test.

The school are delighted that **Mrs Dyer's departing donation**, a **new bench** for the children has arrived and it is **absolutely beautiful!** A great way to **remember and mark** such a long standing member of Ewhurst School.

The **library will be open** after **half term** again! We would like to open it for parents to **help children change books** in the **morning and after school**, however we need to request that parents **stay in** the library in the morning and **not wander down** to the cloakrooms/classrooms as staff are busy preparing. We are looking for a **few parents from each class to become Librarians** (labelling books, sorting shelves etc). If you are interested in this voluntary role please let the office know.

As you all know we have a **job share in Year 1 and Year 2**. In order to allow parents to meet both the beginning and end of the week teachers we have **changed drop in dates** to alternate between Mondays and Fridays.

Parent consultations will be taking place **after** half term. We would like to try a **blended approach** this time offering **face to face appointments** for all 3 classes on Wednesday 17th November and **virtual appointments** for Apple and Holly on Tuesday 16th and Cherry on Thursday 18th November. **Booking will be available after half term.** Mrs McConnell

Achoooo...

At this time of year, we are using so many tissues – it would be incredibly helpful if families were able to donate a box or two to the school office as our stocks are very low. Many thanks.

Who's who?

Mrs Macey Reception teacher

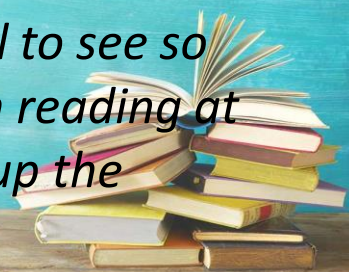

I teach in Apple class (Reception). I am passionate about the development of young children and this makes every new academic year different and exciting! I also enjoy getting to know our new families and welcome them into our school community. I have lived in the Cranleigh area all my life and enjoy walking in our lovely countryside which we are so lucky to have on our doorsteps! I also enjoy doing yoga, trying out new recipes, gardening and reading.
