

Thank you to everyone for supporting **BBC Children in Need** today. It was lovely to see everyone in their own clothes **coming together** to support such a worthwhile cause. If you have not donated yet the link is over the page.

**Christmas is fast approaching** and is such a magical time in school. Over the past few years so much has had to be cancelled and we are working hard to ensure that we can **celebrate this year**. A letter has been emailed that has all the dates in one place and will ensure that you and your little ones can keep up with events on a week by week basis. Please **ensure that you have read the letter** especially regarding the **nativity tickets**.

Ewhurst has begun an **exciting collaboration project**, led by the **British Council**, with a selection of **local and Ugandan schools**. All the schools have been thinking about what they can do for their communities **to reduce climate change**. Planting trees to reduce green-house gasses, provide habitats and in some cases food, has been top on their list. Ewhurst has received 140 trees and we need your help to plant them!

## Friday 3<sup>rd</sup> December at 3pm

we will be meeting at the back of the Village Hall car park. **Come along and plant a tree!**

Thank you to everyone who **submitted an Extreme Reading** entry. Winners will be announced **next week**.

Hello, I work in Apple Class with your lovely children. I trained in early years and have worked with children for 35 years, starting off in nursery before joining Ewhurst Infant school fourteen years ago. I am an emotional literacy support assistant supporting children's well-being and emotional needs. In my spare time I like shopping and baking and spending time with my family and friends.
