

It has been another **exciting week of learning** at Ewhurst Infant School and my highlight of the week was hearing children read 1:1 and being able to give out lots of Head Teacher Award Stickers!

On the subject of reading, a reminder from me about our **fantastic school library** which I notice several families are using very regularly and others less so. You can access the library to sign in and out books with your child any time just before the start or end of the school day. Thank you to Mrs Martin for setting up this wonderful resource and for maintaining it. We hope to continue to expand the library in time.

**Your child should be reading their phonics matched book at home at least 5 out of 7 days a week** in order to make best progress with their reading fluency and confidence.

This weeks safety assembly from me was focused on **water safety** and, as we head into the summer months, trips to the swimming pool and coast will no doubt increase. We watched a short safety video which the children were able to elaborate on expertly in assembly. You may want to revisit the video with your child at home by following [this link](#).

A big **thankyou** to those parents that gave up their time last weekend to help renovate the Jubilee garden; it looks amazing, and there were several parents there who have now given up two Saturdays in a row to support the school! **Your efforts are hugely appreciated.**

Early Years have already been able to go pond dipping in the Jubilee pond and found damsel nymphs, leeches, water snails, water fleas and others.

Enjoy a restful weekend. Chris Elston

## Who's Who?

Celine  
Mougnot-Salt

I was elected as School Governor in July 2021. I am French-Italian, living in the UK for the last 19 years and settled in Ewhurst about 4 years ago with my husband Gareth, eldest son Alexander and now youngest son George. Alexander is now in year 1 at Ewhurst Infant School, and George is shortly to follow.

I love a challenge whether it be at work or in my personal life. My interests include; fitness, charity fundraising (e.g. coast to coast, three peaks etc), cooking and travelling. Undertaking everything with great passion I believe my outlook, experience and skills as a parent and in general will aid in a positive contribution as Governor.

**Sun cream/hats & Coats**

**Sun hats** (named) are essential this term. Please try to **ensure that sun cream (long lasting)**, if needed, is applied **before school**. **Children need to apply sun cream independently**. Children are encouraged to play in the shade, but the amount of shade cover is limited in the playground. Please also make sure all children have a **coat** in school **at all times** due to such changeable weather we have!

**PTA Corner – Message from PTA**

Thank you to all those who helped with the Jubilee Garden Clean Up last Saturday - it was a great success!

We have 3 main events on the horizon that we will need many volunteers for - Ewhurst Secret Gardens, School Summer Fair and Swimming. These are wonderful events that raise a lot of money for the School. We will be releasing Sign Up sheets soon so please keep a lookout!
