

Welcome to this week's newsletter. I hope the children had an enjoyable and restful half term break and are ready for an **exciting half term of learning and special events.**

On **Friday 27th May**, the school **celebrated The Queen's Platinum Jubilee** with a focus day of activities all based around her majesty and her 70 year reign. Learning in mixed age groups, the children worked on some wonderful projects including bunting design, ephemeral art crown making in the Jubilee garden, singing the National Anthem and much more. We also enjoyed a **lovely picnic lunch** under glorious weather and came together for an extended celebration assembly in the afternoon. The children learnt lots of facts about the Royal Family and applied skills in art & design, music and writing across the day.

The swimming pool is open!

This week saw the children enjoy their first swimming lessons in the school pool with Angela, our new swimming teacher, and everything went 'swimmingly' ...! The pool is such a fantastic resource for our school and a lot of work has gone into renovating the environment to make it ready for this half term. Thanks again to the working parties of parents that supported with this. Particular thanks go to Mr Rapley, school groundsman, and Mrs Rapley for their efforts in preparing the pool for use and to the school office team for coordinating the setup of all policies and procedures.

A gentle reminder that all kit provided for your child for swimming must be named. It will also greatly increase the time the children have in the pool if they can independently, and briskly, change for swimming; any practice that can be done at home on this is greatly appreciated.

Toilet Hygiene:

I am very pleased that after an assembly focused on **toilet hygiene**, the children have **risen to the challenge** of showing our school value of **respect**, and making sure the toilets are clean and tidy and that everyone is taking care when washing their hands. Please could I ask parents to reinforce this message with your children especially regarding hand washing.

Attendance Matters

This week, The Ewhurst Infant School **Attendance Cup** goes to: **Cherry class** with **95.5%** average attendance for last week. Well done **Cherry!**

Across the school, **53** children demonstrated **excellent attendance**.
The average attendance across the whole school was 92.28% **(-2.4% on last week)**

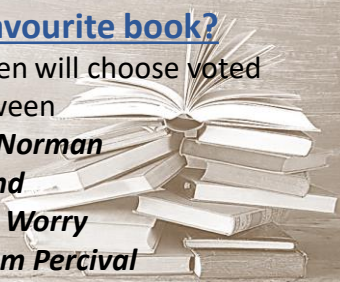

What's your favourite book?

This week the children will choose voted between

Perfect Norman
and

Ruby's Worries
both by Tom Percival

New diary dates and Healthy Breakfast- Sports Day changed

Due to the staffing changes in Year 1 and 2 we had to **move the date from Tuesday 12th to Wednesday 13th July**

Please check the calendar on reverse for new dates
