

Welcome to this week's newsletter with lots of exciting events having taken place since I last wrote to you, and lots more to look forward to.

Last Friday, Apple class celebrated a wonderful Father's Day celebration event at the end of the day and many male parents and family members attended to watch the children perform and show their love and gratitude. It is important that we celebrate all positive role-models in the lives of our children, and Father's Day is a good opportunity for this.

Next week is 'Good To Be Me Week' and we have a range of exciting enrichment activities planned for the children to support their mental-health and well-being. The children will be enjoying a skipping workshop, move around morning, swimming, a pet service at the church, all culminating in a whole school visit to Sayers Croft on Friday with a picnic lunch. I will make sure plenty of photos of our exciting week are presented in next week's newsletter.

Please could parents ensure children have trainers in backpacks every day of next week so they can take part in all of the activities.

The Summer Fair fast approaches which we are all greatly looking forward to, and it is such a fantastic fund raiser for the school. The PTA are in need of volunteers to support with the running of the fair as well as further donations. (Please see overleaf). A huge thank you from all the children and staff for the tireless work of the PTA towards this fantastic fundraising event.

If your child is performing in the maypole dances, please look out for further communications about this for timings and other details.

I look forward to seeing you at the fair from 12:00 on Saturday 2nd July.
