3rd March 2023

Dear parents/carers,

After a visit from Ofsted last week it feels like we are still running full steam ahead! This week the focus was on parent meetings and I would like to thank all those who signed up and met their child's teacher. Our partnership with parents means a lot to us and we really appreciate all your support! Please keep in touch with teachers and use the monthly drop-ins to keep updated on your child's progress.

This week Cherry Class enjoyed a History walk through the village. Local heritage is an important topic for all pupils to know and is a key part of our curriculum. My thanks go to Janet Balchin, Chair of the Ewhurst History Society, who gave us so many fascinating facts about the village, including where the village name came from (we certainly don't want children to be 'sheepish' about that one!), the oldest post box, oldest house and where the butchers used to be.

On Friday we celebrated World Book Day. It was wonderful to see all the magnificent costumes! The children certainly seemed to enjoy the day and the focus on reading.

Finally, I am attaching to this newsletter some free courses available on promoting positive mental health among children. We want all our pupils to feel safe, happy and free from anxiety, so do consider getting involved.

We wish you all a wonderful relaxing weekend!
