

Dear parents/carers,

We have had another action-packed week! We have focused on this week as 'Friendship Week', drawing on some important messages from National Anti-bullying Week. I have shared in an assembly how to identify bullying as someone being mean 'several times on purpose' and that our response needs to be 'start telling other people'. We made a heart shape with our hands and recalled the line 'Be a buddy, not a bully'. Odd Socks Day on Monday was a great opportunity to celebrate differences and learn to respect each other's uniqueness. It was great to see the children so engaged!

We want to do all we can as a school to help children thrive in a safe environment. We have strict online safety systems in school and need your support at home too. We have heard of some children in our school watching Poppy Playtime, either on Youtube or through Roblox. This game, featuring a character called 'Huggy Wuggy' is described as an "introduction to horror", featuring frightening images and themes that are paired with child-friendly items. We do not recommend it for our children at Ewhurst. See <https://oursaferschools.co.uk/2021/12/03/poppy-playtime-online-safety-review/> for more information.

One of the fun activities each week are our extra-curricular clubs. The Friday Lego Coding and Painting Clubs have been so enjoyable for the children and we hope to continue them next term if possible, as well as adding more clubs. Do watch this space!

As Christmas nears, we have set up our stage and are busy practicing nativity performances. We have been invited to join other local schools on Wednesday 13 December at 6.30pm for the Cranleigh Rotary Club Christmas Carols. We would dearly love to take part with a small choir, who will sing first and then leave for 7pm. Please let the office know by Monday 20 November if you are happy for your child to be involved.

Best wishes,

Mr. Walters
