

Dear parents/carers,

It has been another action-packed week, with our Holly Class Assembly, Reception Forest School and Red Nose Day. Today it was lovely to see so much red in school! It is all for a very good cause and if you have not yet contributed we invite you to make your donation via the school's justgiving page. The link to this can be found on the next page.

We always love to celebrate the activities of our pupils outside of school. We take time to recognise these children during our Friday assemblies. Please do keep sending us photos and certificates. This week we want to say congratulations to Roo from Apple Class for completing his half marathon on Sunday at Junior Park Run. This is no mean feat! Each week Roo joins other children for Junior Park Run and runs, walks or jogs the 2km route cheered on by encouraging bystanders. The event starts at 9am – runners come ready at 8:50 to the new Knowle Park, Cranleigh. The event is free and children aged 4-14 can take part, whether their parent runs with them or watches. Roo has completed 11 Junior Park Runs and so has achieved over half a marathon. If he runs 11 more he will be a marathon runner!! More details can be found at:

<https://www.parkrun.org.uk/cranleigh-juniors/>

Have a lovely weekend!

Mr. Walters

Cherry Class

Congratulations!!

Easter Market

The Friends of St Peter and Paul church in Ewhurst are holding the annual Easter Market at The Parrot Forest Green on Tuesday 19 March. – see attachment

Breakfast Club and Explorers Booking Forms

Due to the end of our financial year at the end of March we kindly ask parents **not to pay** for any clubs in the summer term until we have returned from the Easter holidays. To help with that we will only be sending out the booking forms for next half-term on the last day of school. Your child will still be able to join the club if needed on the first day back.

French Club and Sport Stars next term

Both flyers for the clubs are attached to this newsletter.

Here is the link for your Red Nose day donation:
